Subject: RE: Upcoming conference and reminder re board meeting
Date sent: Fri, 15 Jun 2001 07:07:13 +0200

The publications we have made during the last year using the GTAP database are as follows:

OECD Environmental Outlook. OECD, Paris, 2001.

"Energy-related model-simulations for OECD's Environmental Outlook: Methods and Results". Paper presented at the International Energy Workshop, IIASA, Laxenburg, Austria, 19-21 June 2001.

"Model-simulations for OECD's Environmental Outlook: Methods and Results". Paper presented at the Fourth Annual Conference on Global Economic Analysis, Purdue University, 27-29 June 2001.

"Results of simulations on the JOBS/POLESTAR model system made for the European Commission". Rapport prepared for the European Commission, DG Environment.
