2009 GTAP Consortium Board Meeting, June 8-9, 2009

### **Executive Summary**

- A very good surplus this year \$95K this year
  - Core staff diverted towards Africa project
  - Version 7 release led to high growth in data sales
  - High course revenue (and low expenses) from two courses
- Data Sales continue to be high, however increase in upgrades is expected to lower revenue.
- Recent addition of new consortium members and accumulated surplus expected to cover new staff:
  - Levent Aydin joining us in July
  - Angel Aguiar to become full-time later this year
  - Nico van Leeuwen to visit for 6 months
- Freeze on board member fees at \$19,650p.a.
