

Economic and Social Research Institute, Cabinet Office, Japan
Report on GTAP Related Activities in 2009-2010 for
The Advisory Board Meeting, Center for Global Trade Analysis
June, 2010

The Cabinet Office assists with the overall strategic functions of the Cabinet Secretariat, and carries out planning and overall coordination regarding key Cabinet policies. As such, the Cabinet Office is in charge of economic and fiscal policy. The Economic and Social Research Institute (ESRI, formerly the Economic Research Institute of the Economic Planning Agency) of the Cabinet Office joined the GTAP in April 1996, occasionally utilizes the GTAP model to evaluate quantitatively the effects of economic and fiscal policies.
