GTAP Consortium Agency Report Template

GTAP Advisory Board Representatives, your annual agency report of GTAP usage at your organization should contain, but not be limited to the types of items listed below. Please include details for activities undertaken since the previous year's advisory board meeting in June. When your report is complete, please email it to Ginger Batta (gbatta@purdue.edu).

1. **GTAP Model and Data Base Usage**
   This section should include a brief summary of how and for what your organization has used the GTAP Model(s) and/or Data Base(s), as well as how this usage has furthered your organization's mission and purpose.

   DIT started using GEMPACK based GTAP version 7 after transitioning from a GAMS based CGE model. We are also using GTAP-E version 7 to assess the impact of trade on the environment but also impact of environmental policies on the global economy.
   WE are also now using GTAP-RD and GTAP-E RD

2. **Publications**
   This section should include a list of your organization's publications (of any type) that utilized the GTAP Model(s) and/or Data Base(s).

   Various Scoping Assessments and Impact assessment .

Modelling of economic impact of UK-India FTA.

GTAP was used for the assessment of the economic (and environmental) impact of the UK-India FTA in a Scoping Assessment published at the beginning of the negotiations.

Modelling of economic and environmental impact of UK-GCC FTA

GTAP and GTAP-E were used for the assessment of the economic and environmental impact of the UK-GCC FTA in a Scoping Assessment published at the beginning of the negotiations.

3. **Presentations**
   This section should include a list of your organization's presentations (of any type) that utilized the GTAP Model(s) and/or Data Base(s).

4. **Special Reports**
   This section should include a list of any special reports prepared at your organization that utilized the GTAP Model(s) and/or Data Base(s).

5. **Projects**
   This section should include a list and summary of all projects undertaken at your organization that utilized the GTAP Model(s) and/or Data Base(s).

   Various projects such as EU CBAM analysis, War in Ukraine, Price on carbon etc.

6. **Other Activities**
   This section should include any additional GTAP-related activities at your organization that do not fit into the above categories.
