Purdue University

West Lafayette, Indiana, USA

GTAP Network Overview

- **As of May 1:**
 - **GTAP Network** (any registered member of the website)
 - **5,399 members from 146 different countries**
 - **~ 68% developed countries | ~ 32% developing countries**
 - **Average ~ 835 new members/year**
 - **GTAP Contributor** (Network member who has purchased, contributed, participated, etc)
 - **1,357 contributors from 86 different countries**
 - **~ 76% developed countries | ~ 24% developing countries**
 - **Average ~ 188 new contributors/year**

General Website Features

- **“About GTAP”**
 - **Regional Announcements**
 - **Provide announcements on events, projects, etc involving a specific region**
 - **Africa, South Asia, Latin America**
- **“Data Bases”**
 - **Specific, topic-based pages**
 - **Trade Data** at http://www.gtap.org/databases/trade_data.asp
 - **We encourage anyone interested in posting a similar page to contact us**
 - **Data on the web** at http://www.gtap.org/databases/v6/v6_sampledata.asp
 - **Thanks to a program developed by the Productivity Commission which extracts summary tables from the GTAP Data Base into Excel, the Center has been able to generate and post sample data for public download**

General Website Features

- **“Resources”**
 - **Free Utilities** at http://www.gtap.org/resources/free_utilities.asp
 - **GTAPAgg Demo, RunGTAP Demo, SplitCom, Crusoe Suite, Shademap**
 - **Free Data Bases** at http://www.gtap.org/databases/free_data.asp
 - **Greenhouse Gas Mitigation data, Bilateral Labor Migration datasets, etc**
 - **Restricted Data Bases** at http://www.gtap.org/databases/restricted_data.asp
 - **Making > 10x10 aggregations available only to specific groups**
 - **Data collected on replication totals**
 - **GTAP Discussion Forums** at <http://www.gtap.org/forums/default.asp>
 - **Discussion forums available for public use to post and discuss specific topics**

Board Website Features

- **Board Member Access**
 - Data Base Releases
 - Source Data & Discussions
 - **I-O Tables** 
 - Access to full list of contributions
 - Macro Source Data
 - Bilateral Services Trade Data (v7, CPB)
 - Discussions/Reports on GTAP Data
 - Discussions on Energy, Taxes, etc
 - Other Data & Resources
 - GTAP-Dyn Data Base
 - Programs & data for scenario building
 - Baseline Forecasts

Advisory Board :: I-O Table Submissions	
I-O Table: Paraguay	
Submitted By:	Ludena, Carlos
Submitted On:	4/8/2006
Sector Total:	51
For Version:	GTAP 6.2 Data Base
Principle Contributor:	Carlos Ludena, Ruiz Diaz, Francisco Carlos and Biedermann, Gustavo
Other Contributor(s):	
Owner:	
Original Data Source:	Central Bank of Paraguay
Data Year:	1994
Data Units:	Thousands of local currency (Guaranies)
Table Type:	Commodity by Commodity
Orig Table Valued at:	Market Prices
Agricultural Aggregations:	Yes
Split Conflict:	No
Table Improvements:	First input output table from Paraguay prepared for GTAP
Additional Documentation	
prvio.har	
GTAP Reports	
prvb.har	Balance check results
prve_rpt.har	Entropy check results
prvt.har	Tax check results
prvs.har	Sign check results
prvprt.doc	Final written report
User Documentation for I-O Table Check Programs	
Final Files	
prvf.har	Final I-O data used
prvSEC.txt	Sector List
prvM.txt	Mapping to GTAP 57

Website Enhancements

- **Staff Access**
 - **Reporting**
 - **Country, Region, Version, Date**
 - **Data Base sales** 
 - **Event registration/payment**
 - **Network membership**
 - **Contributions**

- **Public Access**
 - **Recognition**

- **GTAP 6 Data Base Team at**
 - http://www.gtap.org/databases/v6/v6_contributors.asp

GTAP Staff :: Monthly Data Base Orders by License Type

The following figures are based on the calendar year from January 1 to December 31. Sales income totals include the cost of shipping/handling and any over/under-age for wire transfer banking fees.
